QUICK TURN AROUND ON MILL ITEMS

At Keldon Paper, we try our best to carry the widest selection of brands, paper, envelopes and packaging supplies for your needs. There may be times when you need a brand or item from one of our suppliers that we don't stock. Many of our suppliers stock their full lines locally. We're always happy to assist in providing items from local mill inventory to meet your needs. We can usually get these items for you in 2-3 days in full carton quantities.

Our mills with local inventory are:

In addition to local mill inventories, we have a number of local envelope suppliers that offer many hard-to-find envelope items.
